

A Message To Good Democrats That Care

“All men make mistakes, but a good man yields when he knows his course is wrong, and repairs the evil. The only crime is pride.”

– *Sophocles, Antigone*

This quote says it all, it's a very old quote that uses the terminology 'man' but is the broad term for our creators creation that applies to all of us. No one is attacking the common man or person, the Democrat Party ...is what it is now. It's not going to change, when a person or entity cannot have checks and balances and refuses to allow it within it's ranks, no longer is the soul of the group or entity alive...it's under authoritarianism or the soul has changed. If you agree with the change...then you are where you should be...if not...then you have an alternative. The party made the mistake...the course is wrong...repair the evil and leave the party...

“Pride goeth before destruction” Proverbs 16:18

Take it from someone that knows...you don't have to take my word for it. We are not attacking you, just asking you to stand with us and repel this great evil that has been unleashed on the country, coming from the Democrat Party. We know, it's the party not the many of the people. Don't let pride hold you back!
